Some More Uses of Plants

Plants clean the air and keep it fresh. Trees and plants make our homes look beautiful. We should grow trees near our house.

We can collect fallen flowers and leaves to put in flower vases. We should not pluck flowers or leaves. A green world is a beautiful world.

Let us say it again

-  We get food such as fruits, vegetables and foodgrains from plants.
-  We get fibres such as cotton and jute from plants.
-  Plants give us wood, paper, gum and rubber.
-  Plants give us oils, medicines and perfumes.
-  Plants clean the air and keep it fresh.
-  We should not pluck flowers or leaves.
