

# **QUESTION AND ANSWERS ON THE POEM DAFFODILS PART I**

**Date – 30.05.2020**

**1. Who wandered like a lonely cloud and where?**

Ans : The poet W. Wordsworth wandered like a lonely cloud over the valleys and hills.

**2. What does the poet come across while wandering?**

Ans : While wandering, the poet comes across a host of golden daffodil flowers.

**3. Where were the Daffodils and what were they doing?**

Ans : The daffodils were by the side of the lake under the trees. They were fluttering in the breeze as if they were dancing like human beings expressing their joy and energy.

**4. What is being compared to the stars and why?**

Ans : The host of golden daffodils are being compared to the stars in the milky way. Like the stars in the milky way, The poet feels that the daffodils are not only uncountable but full of energy in a never ending line.

**5. How many daffodils did the poet see at a glance?**

Ans : The poet saw maybe ten thousand daffodils at a glance.

**6. What were the daffodils doing? Which literary device is used here?**

Ans : The daffodils were dancing merrily in the breeze. The poet uses 'personification' here when he compares the movement of the daffodils to some dancing humans.
