D. Answer the following questions:

1. What is the difference between a joint family and a nuclear family?

Ans: A small family with only parents and children is called a nuclear family.

A big family where children, parents, grandparents and sometimes even uncles, aunts and cousins live together.

is called a joint family.

2. What is a family tree?

Ans: A family tree shows how members of a family are related to each other.

3. Who are differently-abled people? How should we help them?

Ans: In our surroundings we find people who may not have the ability to see or hear or even speak. Some people may not have hands or legs. They are differently-abled people. We should try to support them and appreciate them for doing everything just like we do.

4. Name some indoor games and some outdoor games.

Ans: Ludo, carrom, chess, etc, are some indoor games.

Football, cricket, handball, volleyball, etc. are some outdoor games.

5. Name some activities we do for fun and recreation.

Ans: We may visit a fair, watch a puppet show, visit amusement parks, visit a zoo, or even play in the neighbourhood park for fun and recreation.
