**Domestic Animals**

Cats, dogs, cows and goats are some animals we may see around us. Cows, buffaloes, hens, ducks and sheep are farm animals. Dogs and cats are kept at home. They are pet animals. Pet animals and farm animals are called domestic animals.

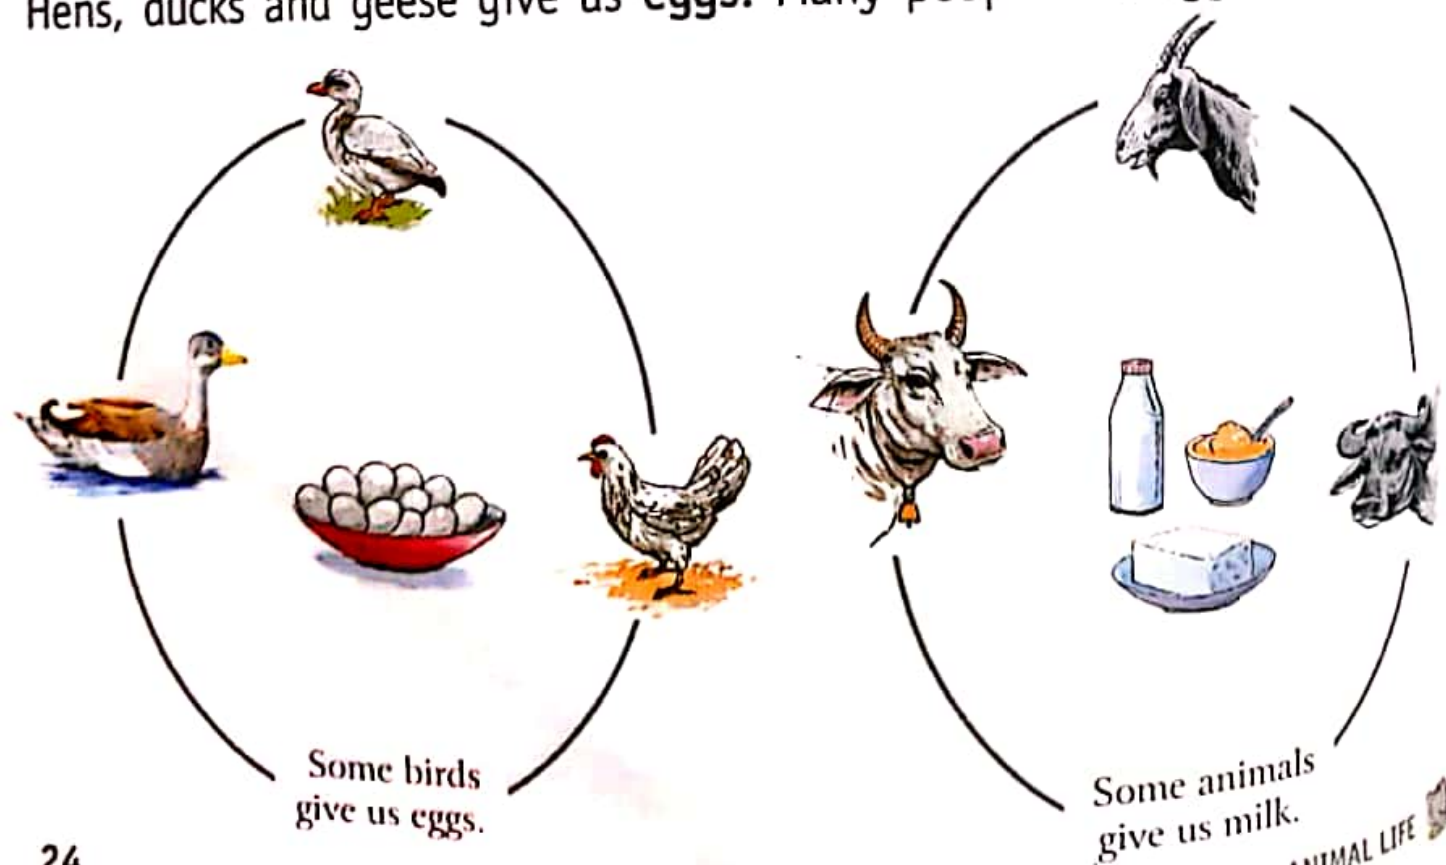

**Animals Give Us Milk, Eggs and Flesh**

Cows, buffaloes and goats give us **milk**. We make curd, butter and cheese from milk.

We make **i** **r** **m** too from milk.

Hens, ducks and geese give us **eggs**. Many people eat eggs.

FISH

HEN

GOAT

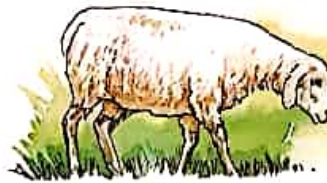

Some people eat the flesh of certain animals.

Some people cook and eat the **flesh** of certain animals.

### Animals Give Us Other Things Too

In winter we wear woollen clothes. Woollen clothes keep us warm. The fur on the body of the sheep is used to make **wool**. We get **silk** from silkworms. We use silk to make shirts, sarees and scarves. We get honey and wax from beehives.

SHEEP

WOOL

SILKWORM

SILK SCARF

BEEHIVE

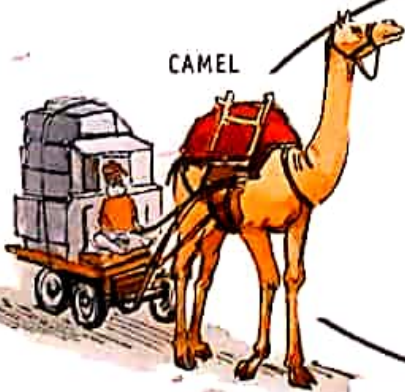

BEE

We get different things from different animals.

### Animals Make Our Work Easy

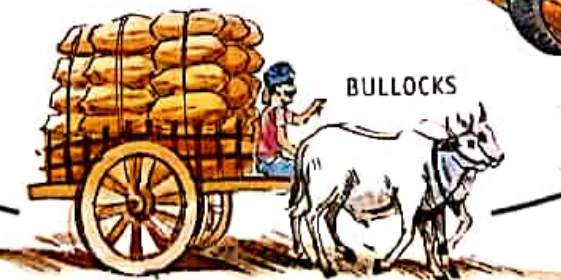

Some animals carry us or carry things for us.

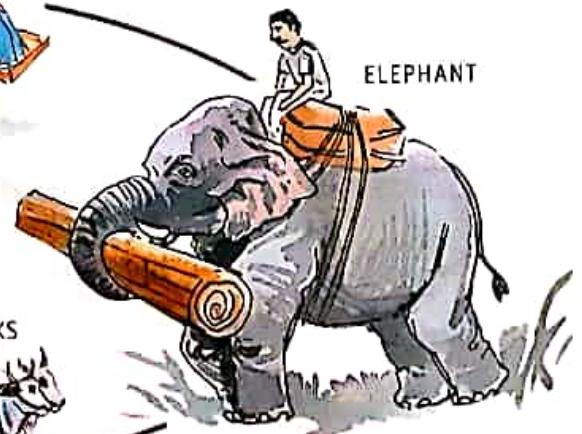

CAMEL

HORSE

BULLOCKS

ELEPHANT

Some animals help us to do our work.
