

## Check Your Understanding

Enrichment Activities

- A. Complete the patterns and colour the snakes in bright colours.

## A life skill

## WORKSHEET - 5 (Ch-4)

### I. Keep your surroundings clean.

This is one way of keeping your surroundings clean.

Colour the picture;

TEACHER'S NOTES: Plan a visit to the local zoo. Children can observe the animals, their food habits and habitats. Emphasize that wild animals need to be protected. Project 'Save Our Tigers' can be discussed in the class to make children aware of such issues.
